We create the future of the industry

The International Trade Fair of Machines, Tools and Components for the Wood and Furniture Industries DREMA is the most awaited event for the wood and furniture industries in Poland and at the same time the largest supply centre for furniture manufacturers in Central and Eastern Europe.

One of the world's largest events for the wood and furniture industries.

In 2021, DREMA, together with Furnica and Sofab fairs, will be the arena of comprehensive technological solutions for the wood and furniture industries (from raw materials, materials and components to technologically advanced machinery and equipment for furniture production).

During the trade fairs, modern solutions for the wood and furniture industries as well as wood processing plants will be presented.
